### Finance for Executive Program

Gain the financial acumen to make smarter business decisions in an ever-changing, complex economy. In five days (15 hours) of hands-on, interactive sessions, Finance and Accounting for the Executive Program, provide executives with a unique opportunity to deepen their expertise in finance and accounting for better management and decision-making capabilities. Suitable for finance/non-financial executives and working professionals who require a better understanding of the financial impact of business decisions.

#### Topics Covered

- Understanding Financial Statements
- Contribution Analysis
- Analysis of Financial Statements
- Time Value of Money
- Techniques of Capital Budgeting & Cost of Capital
- Working Capital Management and Cash Management
- Cost Control and Management

Don't miss out on this opportunity to master the language of finance and communicate strategically the financial aspects of business. Join our program now and take the first step towards achieving your goals and accelerating your career.
